

XYZ Manufacturing Inc.
Business Requirements Document

Company Overview:

We are a manufacturing company based in Cebu specializing in electronics assembly.

Current Challenges:

- Inefficient lead qualification process
- Manual tracking of customer inquiries
- Lost opportunities due to slow response times
- No centralized CRM system

Project Requirements:

We need an automated sales workflow system to improve our lead conversion rate.

Timeline: Urgent - need to implement within this quarter (Q2 2026)

Budget: We have allocated ₱750,000 for this project

Decision Maker: Maria Santos, VP of Sales
Contact: maria.santos@xyzmanufacturing.ph

Target Market: B2B electronics distributors and retailers
